## Pengaturan Kanal

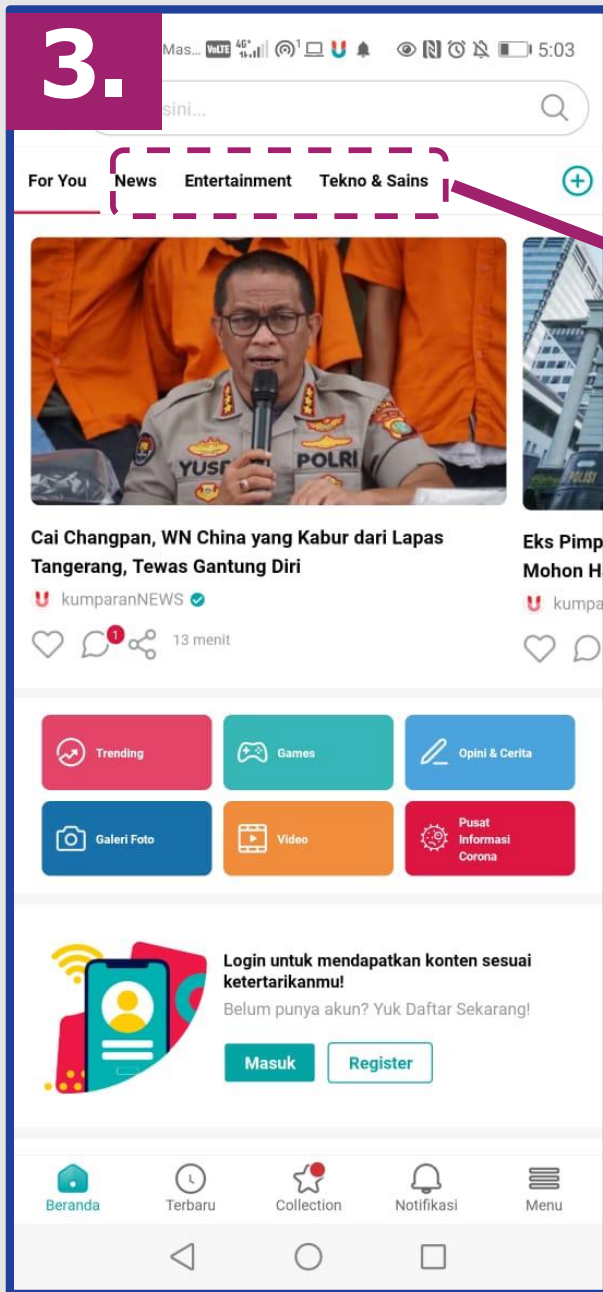

Silahkan pilih minimal tiga kanal

Geser (=) untuk atur urutan

Will bring us to another page, called  
“Pengaturan Kanal” that giving us an authority  
to:

- a. Drag and put your choices based on the  
priority.
- b. Select the news category (minimum is 3  
categories)

When we push the back button, then will bring us again to the homepage, and see the highlight of our choices on menu areas. We could access the content of news for each category that we were already selected.
